What We Do !

We are a team of young and vibrant photographers with over five years of working experience in the media industry. Keeping memories of events is very important to us, hence our affordable packages. We cover most events in Ghana and abroad which includes; engagements & weddings, birthday parties and all forms of parties, funerals and many more.

Silicon Class
PHOTOGRAPHY

We are a branch of Silicon Class Studios, a mother organization that serve customers with professional media works which include; videography, web design, graphic design, digital marketing and company branding. Our mission is to refine art to meet current trends with quality gadgets at affordable rates. Let's get interactive. Feel free to contact us through any of the following channels.
